- Food, drink, gum, tobacco, or vapor producing products shall not be allowed, other than in specially designated and controlled sections of the facility area;
- Personal conduct within the facility shall assure that the safety of self and others is not jeopardized;
- Running and boisterous or rough play shall not be permitted, except for supervised water sports;
- Spitting, spouting of water, blowing the nose, or otherwise introducing contaminants into the facility water shall not be permitted; Glass, soap, or other material that creates hazardous conditions or interferes with efficient operation of the facility shall not be permitted in the facility or on the deck; All apparel worn in the facility shall be clean; Diving in shallow water shall not be permitted; Caution shall be exercised in the use of diving boards; and Service animals may be allowed in the deck area but shall be excluded from the water.

Spa bathing facilities:

- A sign shall be posted in the immediate vicinity of the spa stating the location of the nearest telephone and indicating that emergency telephone numbers are posted at that location.
- HYDROJET TIMER SWITCH
 - Posted at switch location
- A CAUTION SIGN shall be mounted adjacent to all spas which contain the following warnings:
 - CAUTION
 - Pregnant women, elderly persons, and persons suffering from any heart condition or disease, diabetes, or high or low blood pressure should not enter the spa without prior medical consultation and permission from their doctor.
 - Do not use the spa while under the influence of alcohol, tranquilizers, or other drugs that cause drowsiness, or that raise or lower blood pressure.
 - Do not use at water temperatures greater than 104 degrees Fahrenheit.
 - Do not use alone.
 - Unsupervised use by children is prohibited.
 - Enter and exit slowly.
 - Observe reasonable time limits (10 to 15 minutes), then leave the water and cool down before returning for another brief stay.
 - Long exposure may result in nausea, dizziness, fainting, or death.
 - Keep all breakable objects out of the area.
 - Shower before entering the spa.
